[AMRO Joins Network of Central Banks and Supervisors for Greening the Financial System as an Observer](#) | [Widening Ripples: The War in Ukraine and Inflation in ASEAN+3](#) | [Brunei Economy Week Keynote Speech](#)

In June, the ASEAN+3 Macroeconomic Research Office (AMRO) published a commentary on recommendations for ASEAN+3 policymakers in the face of inflationary pressures and announced that we have joined the Network of Central Banks and Supervisors for Greening the Financial System (NGFS) as an Observer. On June 29, AMRO Chief Economist delivered a keynote speech at the Brunei Economy Week.

PRESS RELEASE _____

With effect from June 14, 2022, AMRO has joined the Network of Central Banks and Supervisors for Greening the Financial System (NGFS) as an Observer.

COMMENTARY

The war in Ukraine has caused massive supply disruptions, sending energy and food prices soaring to historic highs. What can ASEAN+3 policymakers do in the face of inflationary pressures while pursuing post-pandemic recovery? AMRO Economist, Catharine Kho shares her recommendations in an op-ed first published in The Business Times.
